My Hobby

In my spare time, I solve programming and algorithm problems

SKILLS

- Flutter
- Dart
- C and Python initial
- Firebase
- Provider, Bloc, Hive, Mysql, Sqflite
- Problem-Solving
- Get
- Computer Literacy

About me

Hi, I'm Shahjakhan Razakov, a Flutter developer. My passion for software is dreaming up ideas and realizing them with elegant interfaces. I pay close attention to the experience, architecture, and code quality of the things I build.

I have studied Flutter and Dart in depth. I want to improve my experience by participating in a real project

EDUCATION

NAJOT TA'LIM

Bootcamp I learned Flutter

2021-2022

languages

Uzbek (Native)

English (Beginner)

Russian (Pre-Intermediate)
